

**REMARKS**

The Office Action rejected Claim 68 and objected to Claims 20-35, 73-75, and 85-87. The Office Action further indicated that Claims 1-19, 36-46, 48, 51, 59-61, 63-67, 69-72, 76-79, 82-84, and 88-94 are allowed. Additionally, the Office Action indicated that Claims 20-35, 73-75, and 85-87 would be allowable if rewritten to overcome the objection. Applicants appreciate the Examiner's efforts in connection with this application, and particularly the attention to detail to identify the informality in Claim 20. By way of this Amendment and Response, Applicant has amended Claim 20 to correct the informality and has canceled Claim 68. Applicant has also amended Claim 8 to be more consistent with the claim from which it depends. Applicant respectfully submits that following this amendment Claims 1-46, 48, 51, 59-61, 63-67, 69-79, and 82-94 are in condition for allowance.

**CONCLUSION**

In view of the remarks and amendments set forth above, Applicant respectfully requests allowance of the pending claims. If the Examiner believes that a telephonic interview will help speed this Application toward issuance, the Examiner is invited to contact the undersigned at the telephone number listed below.

Respectfully submitted,
